

About WLMA

The Washington Library Media Association (WLMA) is a professional organization consisting of school librarians, regional media directors, academic library/media faculty, and others responsible for providing school library and media services at the building, district and educational service district (ESD) levels. They control and influence purchasing of books, subscriptions, library automation and related systems and products in the state of Washington.

The Conference Market

The WLMA conference typically hosts **1100** members during the three day event. During this time we offer **14 hours of exhibits** on Thursday and Friday, which will provide you and your company with countless opportunities to contact our members. The exhibits open with a social event. Attendees have 30 minutes of free time between each conference session.

Exhibit Space

Exhibits will be located at the **DoubleTree at SeaTac Airport**.

Triumph Exposition Services is the official exhibits service contractor.

This year we are pleased to offer 10 X 10 professionally draped exhibit booths with:

- 8' high divider along the back of the booth
- 3' high dividers along the sides of the booth
- One 6' skirted table
- One exhibitor identification sign
- *Two* chairs
- An electrical outlet in each booth
- One (1) complimentary (box) lunch per booth for registered exhibitor on Friday (additional lunches may be preordered for an additional \$25.)

Wireless Internet is available at **no additional cost**.

Sessions

Those exhibitors who wish to present a session can find information at the WLMA website.
